Plaintiffs

VS

Defendants

Warden Wilkens, GCCF  
unit manager Jacob D. and  
Alisha Tafoya Director of  
Correctional Department

I.

This honorable court has the Jurisdiction  
To review this 1983 under Fed. Class (Fed. R. Civil. 23  
(A)(B) suit Due to plaintiffs being united states  
citizens.

II.

All Defendants of this claim are acting  
under color of the state of New Mexico.  
Plaintiffs 4th 8th and 14th Admendment of the  
Constitutional Rights and states Law have been  
Violated.

In May 2021, Plaintiffs were being housed in RDC which is in Los Lunas New Mexico, As property of the State due to ~~alleged~~ parole violaters. Plaintiffs were being housed in one man cells due to rules of the State Law and the Duran decree. Plaintiffs now are forced to leave our normal classification in a one man cell until fully classified. The state of New Mexico Parole board and Dept of Corrections took it upon them selves to violate state law and constitutional Rights by forcing Plaintiffs to be transferred to Gccf which is a level 3 facility and also having 2 men per cell. Plaintiffs have been subject to level 1 to level 6 in mates. The facility recently took chairs away due to them being used as stabbing weapons. Plaintiffs lives are in danger every day and therefore Iminant danger does exist. Some Plaintiffs that are under 3 strike Rule. Plaintiffs Do not have the ability to escape these negligent conduct By Staff. The abuse of power and Abuse of Process is tortious use of Legal process Magna Neglegenta exist, All Plaintiffs that have mental Health and physical impairments have no chance. The state of New Mexico parole board has violated Plaintiffs by housing us with murders and Rapists. (Violient offenders) The Parole board expecting non violient offenders to Over come these offenders and defend our self in Hand to hand altercations. Plaintiffs have to watch each others backs including the elderly. In Gccf. where there is a whole wing or 5 pods open But empty.

Therefore there is no over crowding. The duran decree has been violated there fore us Plaintiffs are in fear of Retaliation by G.C.C.F. Staff 2 men Housed in a Room under 115 Feet

### Relief Sought

That the State of New Mexico Parole board Director be advised and addressed to correct there staff. ALSO that the Durand Attorn-ies be informed. Plaintiffs ask for in Justice Relief in the Sum of 2500 per day for ~~each~~ ~~Each~~ Each State Law Violated. Plaintiffs also ask for 100,000 for each civil Right and 500,000 for every Constitutional Right that has Been violated, or How ever this court Deems Just or Fit.
